

# Janine “JJ” Conway

## *The Queen of Cash Flow*

Whoever said “Finance is boring” hasn't met JJ Conway! She's a warm and engaging speaker who draws upon her financial planner background to empower individuals and organizations to dump debt and build lasting wealth!

### **Release your legacy!**

Create lasting change in your life, family, and community through sound financial and abundance principles!

### **JJ's P-O-P and Play Method**

Break through conscious and non-conscious barriers so you can win with money and attract abundance!

### **Real Estate Investing**

JJ can speak on 15+ ways to invest in real estate, even if you never buy the house! Customizable

### **Youth & Money (MoneyBlossoms)**

Financially independent before you're 30? It's possible! JJ shows you how and shares her youthful mistakes.

*As a financial planner, I've learned that money problems usually aren't about money!*

*That's why I speak so much on personal growth & leadership!*
