Brought Jeff Willie to speak at our annual in-service day to nearly 500 employees. Few people can energize a group of that size and average age of 58 years old!

Jeff put energy into the crowd and not only gave them things to think about, but hope for their future. Those 500 employees will go forward and impact the lives of nearly 20,000 student bus riders this Monday morning!

We are off to a great start for the school year ahead and thrilled to have chosen him for this annual day long training event we hold. Highly recommended for your event!
