

The JOHN MAXWELL **Team** LEADERSHIP GAME

These leadership principles can carry consequences or benefits! Put your leadership to the test when you **PLAY THE GAME!**

Everything Rises and Falls on Leadership

The John Maxwell Team Leadership Game is a comprehensive game based on the teachings of John C. Maxwell. The game helps organizations improve their leadership intelligence and increase their effectiveness. Why? "Because everything rises and falls on leadership," says Maxwell.

These leadership principles carry consequences with them. Apply the laws in your organization and increase your influence. Violate and ignore them, and your ability to lead others will suffer. But there's news: **every one of the laws can be learned.**" How? Play the game with 6-12 of your most influential leaders and find out!
