

IMPACT REPORT

for COLLEGE *and* CAREER

COMPREHENSIVE REPORT

THE MAXWELL METHOD COLLEGE AND CAREER IMPACT REPORT

The Maxwell Method College and Career Impact Report is geared toward helping youth and young adults identify their natural strengths and what motivates them so they can make confident decisions when mapping out their future career or business path.

A PROVEN MODEL THAT WORKS

Thousands have used the Maxwell Method College and Career Impact Report to jump-start successful careers, become strong leaders, and achieve meaningful results in their life and work.

A HIGHLY INDIVIDUALIZED ROADMAP

The Maxwell Method College and Career Impact Report helps individuals create an impactful life and career, and develop relationships that will prove critical to future success.

MAKING AN IMPACT IN COLLEGE AND CAREER

Making an impact means leaving your mark on the world in which you live. To do this, you must know who you are, how to communicate effectively with others, and how to use your strengths to find the career path that's right for you. The Maxwell Method College and Career Impact Report provides a customized roadmap for you to discover your:

- **STRENGTHS** - What you do best.
- **WEAKNESSES** - How to recognize your blind spots.
- **LEARNING STYLE** - How you naturally learn.
- **COMMUNICATION STYLE** - How to interact with others.
- **MOTIVATIONS** - The environment you need to thrive.
- **CAREER MATCHES** - Career options suited to your strengths.
