ENTREPRENEUR IMPACT REPORT

The world's great economies, civilizations, innovations, and inventions have been the result of successful entrepreneurship. Perhaps you have a clear picture of your product or service, your business plan, and even your goals; but do you have a clear picture of your own strengths, communication style, and your selling strengths and challenges?

Your John Maxwell Team Executive Director can provide you with deep insight into these areas with the **MAXWELL METHOD ENTREPRENEUR IMPACT REPORT**.

In this report, you will discover:

- The environment where you do your best work
- How you communicate naturally and how you can best communicate with others
- Your work style
- Your strengths in seven key areas of influence
- Your selling strengths and challenges

Additionally, your John Maxwell Team Executive Director can guide you through identifying client buying style and how to motivate your team so you can truly maximize your success!
