SPEAKING TOPICS INCLUDE:

GETTING "CONNECTED" IN A CONNECTED WORLD

Communicating is the #1 Leadership skill. Set yourself apart. Discover and maximize principles and practices to connect with others. Connecting is a skill you can learn and apply in your personal, professional and family relationships. Connect on a personal level. Go beyond texting, emails and social media.

THE GOVERNMENT WANTS TO DO WHAT???

New laws, regulations, taxes and fees impact you and your business! Learn the skills to influence public and government policy. Specialized training on how you develop relationships with government policymakers and getting your message heard. You will discover best practices of advocacy, key points of influence, hazards to avoid, and communication principles and best practices you need to be influential.

"OH NO! 60 MINUTES IS HERE"

Develop confidence in speaking with the news media. Get your message delivered. Make the most out of news media interview opportunities.
